Madison Homes and Los Angeles-based Resmark are teaming up again to create Rosslyn Commons, an Arlington townhome project where pre-sales will begin in September.

The developers plan 25 single-family townhomes at 16th Road North and North Oak Street ([map](#)). The three-bedroom, 3.5-bath homes will range in size from 2,300 to 2,600 square feet and are outfitted with two-car garages. The two developers recently collaborated on a similarly luxe concept in Dupont Circle at 1745 N Street NW ([map](#)), a [71-unit condo project](#) that's on the boards.
