14 Hottest LA Rental Buildings: Updating the Rental Heatmap

Monday, November 12, 2012, by Adrian Glick Kudler

To kick off Renters Week, we're revisiting the Curbed LA **Rental Heatmap**, looking at the very hottest places to rent right now. We'll be updating the heatmap as hotness comes and goes, so hit us up at the [tipline](#) if there's a building or block you think should be added (you especially, Westsiders!).
